The $ column gives rates PER DOUBLE UNIT. The Meal Plan column indicates rates PER PERSON, double occupancy. Rates are per day, except rates in italics, which are per week. The two prices are minimum and maximum, based on low to high season, and in some cases on the range of units available. If a rate is not given, it was not available at time of printing. All rates are subject to change.

Tarifs $

La colonne $ indique les tarifs PAR CHAMBRE DOUBLE. La colonne relative à la formule de repas indique les tarifs PAR PERSONNE, pour une chambre à deux personnes. Tous les tarifs sont quotidiens, sauf ceux indiqués en italiques, qui sont hebdomadaires. Les deux prix indiqués sont le minimum et le maximum, selon la saison (basse saison et haute saison) et, dans certains cas, la gamme d'unités disponibles. Les tarifs qui ne sont pas indiqués n'étaient pas disponibles au moment de l'impression. Tous les tarifs peuvent être modifiés.

Preise in $

Die Spalte $ enthält Preise PRO DOPPELEINHEIT. Die Spalte Verpflegung enthält Preise PRO PERSON im Doppelzimmer. Preise verstehen sich pro Tag, außer kursiv gedruckten Preisen, die pro Woche gerechnet sind. Die zwei Preise sind Minimum und Maximum, je nach Neben- oder Hochsaison und richten sich in bestimmten Fällen nach den unterschiedlichen Ausstattungen der verfügbaren Einheiten. Nicht angegebene Preise lagen bei Drucklegung nicht vor. Alle Preise können sich ändern.

$ Tariffe.

Nella colonna $ sono elencate le tariffe per CAMERA DOPPIA. La colonna Piano Pasti indica le tariffe PER PERSONA, basate su camere a due persone. Le tariffe sono giornaliere, ad eccezione di quelle scritte in corsivo che sono settimanali. I due prezzi sono il minimo ed il massimo, basati sulla stagione bassa e alta, ed in alcuni casi sulla gamma di unità disponibili. Le tariffe non indicate non erano note al momento della stampa. Tutte le tariffe possono cambiare.

Tarifas en $

La columna de $ muestra las tarifas POR UNIDAD DOBLE. La columna del Plan de Comidas indica tarifas POR PERSONA, doble ocupación. Las tarifas son por día, excepto cuando las tarifas aparecen en letra cursiva, que son por semana. Los dos precios son mínimos y máximos, basados en estación baja o alta, y en algunos casos en los tipos de unidades disponibles. Si la tarifa no aparece, significa que no estaba disponible en el momento de impresión. Todas las tarifas están sujetas a cambios.

We recommend that visitors use Canadian funds.

A good rate of exchange is offered at the currency exchanges at our international airports (Toronto and Ottawa), our banks and trust companies and the currency exchanges located at most of our travel centres on the U.S. border. Banks are generally open 10:00 a.m. to 3:00 p.m. Monday to Thursday; to 6:00 p.m. on Fridays. Most trust companies are open 9:00 a.m. to 5:00 p.m. weekdays and Saturday mornings.

Customs and Immigration

American visitors crossing the border, either way, may be asked to verify their citizenship with such documents as a passport, a birth or baptismal certificate. Naturalized U.S. citizens should carry a naturalization certificate. Permanent U.S. residents who are not citizens are advised to bring their Alien Registration Receipt Card.

Citizens of all other countries, except Greenland and residents of St. Pierre and Miquelon, must have a valid passport and some also require a visitor's visa. Travellers under the age of 18 and unaccompanied by a parent need a letter of permission to travel in Canada from a parent or guardian.

Hospital and Medical Services

Visitors are strongly urged to obtain health insurance before leaving their home country. (It is possible that your health insurance does not extend coverage outside your country of residence.) Visitors to the province of Ontario are not eligible for coverage under the Ontario Health Insurance Plan. If you are taking medicine prescribed by your doctor, bring an adequate supply and a copy of the prescription in case it needs to be renewed by a doctor in Ontario. For further information and insurance details contact your travel or insurance agent.

Land Use Laws

The Occupier's Liability Act reduces a rural landowner's responsibility for the safety of non-paying visitors. Signs can be erected to indicate which activities are allowed on the property.

The Trespass to Property Act designates premises where entry is prohibited without notice. Entry on other property may be prohibited by notice. A red marking at least 10 cm (4 inches) in diameter is equivalent to a "No Trespassing" sign. Trespassers can be fined up to $2,000 and ordered to pay any damages.

Liquor

Anyone 19 or over may buy liquor and imported or domestic wine and beer from government liquor stores. A larger selection of domestic beer is available from Beer Stores. Outlets are located throughout Ontario. Drinking hours are from 11:00 a.m. to 1:00 a.m. In Ontario it is an offence to consume alcohol in other than a residence, or in licensed establishments. You may not consume liquor in a pleasure boat while it is underway or moving. Please note, driving motorized vehicles, including boats, while impaired is illegal.
You can be convicted for refusing to take a breathalyzer test or having a breathalyzer reading greater than 80 mg (0.08%) of alcohol per 100 mL of blood.

Pets

Dogs and cats over three months of age entering Canada from the United States will need certification, signed by a licensed veterinarian, certifying that they have been vaccinated against rabies during the preceding 36 months. The certificate must provide a complete and legible description of the pet and the date of vaccination. One- or three-year vaccinations are acceptable. Dogs must be vaccinated in the preceding 36-month period and at least 30 days prior to re-entry into the United States.

Postage

Canadian postage stamps must be used on all mail posted in Canada. Postage is 43¢ for post cards and letters up to 30 g (1 ounce) destined for Canada, U.S. 49¢ and 86¢ to other countries (1993 rates).

Public Transportation

The province is laced with a network of regional and national airline flights, railways, bus routes and ferries. Charter flights will take you to more remote places. Ontario is served by 13 airlines, which provide scheduled air service to 61 airports throughout the province. Any bona fide travel agent will be happy to arrange transportation. If you're already here and need a public carrier, contact a local travel agent or check the yellow pages, call the company and book direct.

Major Canadian carriers are: Air Canada and Canadian Airlines International. VIA Rail Canada links most of the major cities in the province and connects with Amtrak and other U.S. rail lines at many border crossings. The largest bus lines are Gray Coach, Greyhound and Voyageur Colonial.

The Ontario Intercity Guide, published by the Ministry of Transportation, indicates access to communities around the province by public transport and lists contacts where fare and schedule information is available. A copy can be obtained by contacting Ontario Travel.

Sales Tax Refunds

Visitors from outside Canada may claim a refund of the 7% federal GST (Goods and Services Tax), on accumulated purchases of a minimum $100, provided the goods are taken out of Ontario within 60 days and the claim is made within one year of purchase. Tax charged on hotel and motel accommodation is also eligible for refund.

Further information and application forms may be obtained by contacting Ontario Travel.

Weather

Ontario's weather is much like the northern United States. June, July and August are our true summer months, when days are usually warm, though nights may be cool, particularly in the north. Medium- to heavy-weight clothing is your best bet from mid-September to mid-November and from mid-March through April. During the winter you'll need to dress warmly.

All information on facilities was supplied to the Ministry of Culture, Tourism and Recreation by the operators of these establishments and was deemed correct at the time of publication. Contact the establishments directly as you make vacation plans to receive the most up-to-date information on their facilities and rates.

Rules of the road while

Driving in Ontario

Driving is one sure way to see as much of Ontario's diversity and scenery as you choose, or quickly reach the destination you're heading for. A first class system of freeways and highways link cities, major towns and resort areas. Alternate routes along quieter country roads are there to lure the traveller with time to spend.

Automobiles

Documents. A valid driver's licence from any country is good here in Canada for three months. However, as added identification you may wish to obtain an International Driver's Licence before your trip. If you're driving across the border, bring the vehicle registration forms and a free Canadian Non-Resident Insurance Card from your insurance agent, or the policy itself. Minimum combined liability insurance in Ontario is $200,000. If you're driving a borrowed car, also bring a letter of permission signed by the owner. If you're driving a rented car, include a copy of the rental contract.

Emergency Road Service. Emergency road service is available throughout most of Ontario from the Canadian Automobile Association (CAA) and the Canadian Tire Auto Club (CTAC). The CAA is affiliated to several international auto clubs, including the American Automobile Association. The CTAC is affiliated to the Amoco Auto Club. Members are entitled to reciprocal benefits. Check the telephone directory for club and emergency road service listings.

Gasoline. Our service stations sell unleaded and premium unleaded gasoline. (Please note: leaded gas is no longer available.) Many stations also have diesel fuel, particularly along the highways. The number of stations offering propane for motor vehicles is growing rapidly.

Some service stations close at 7:00 p.m. However, in larger centres and along main highway routes (400 series highways) gasoline is available 24 hours a day.

Rentals. Automobile rentals are available at our international airports and in many of our towns and cities. With most companies, the minimum age is 21 with a credit reference.

Services. The Ontario Provincial Police patrol the highways and other areas not served by municipal forces. You can reach them locally or by calling one of the regional toll-free numbers listed on the Ontario Official Road Map.

If you are involved in an accident resulting in a personal injury or property damage over $700, you must notify the police and remain at the scene of the accident until cleared by investigating officers.

First aid stations are clearly posted along the highways.

Information on highway conditions in the province is available all year from the Ministry of Transportation regional offices; 24-hour toll-free number is 1-800-267-1376. For the greater Toronto area call the Road Information Office at (416) 235-1110.

Tolls. International bridges, tunnels and ferries charge a fee but our highways are toll free.

Things to know

We measure distances (and speed limits) in kilometres. And it follows that all our signs are kilometres too. If you're accustomed to thinking in miles this can be a little confusing, so here's some arithmetic to help you through.

The kilometre is equal to five eighths (5/8) of a mile. Therefore, to convert miles to kilometres simply multiply the miles by eight and divide by five (e.g. 100 miles x 8 = 800 / 5 = 160 km).

Conversely, to convert kilometres to miles divide the kilometres by eight then multiply by five (e.g. 160 km / 8 = 20 x 5 = 100 miles).

Simple enough, although it can be quite a mental challenge when you also have to contend with children bouncing in the back seat.

Traffic Rules

Ontario's traffic rules may be a little different than the ones you're used to. So here's a list of traffic tips for your Ontario holiday.

Bicycles. Bicycles are considered vehicles and must obey the same traffic laws. Bicycles are not allowed on controlled access highways.

Hitchhiking. Hitchhiking is not allowed on major (pedestrian controlled access) highways, e.g. QEW.

Radar warning devices. Radar warning devices are forbidden in Ontario, even if turned off and only being transported in your vehicle. Our police may confiscate such devices, and fine you as well.

Right turns on a red light. Right turns may be made on a red light unless otherwise indicated. You must come to a full stop at the light, but may proceed with caution if the way is clear.

School buses. Traffic travelling in both directions (except divided roads or highways) must stop for a yellow school bus when it is stopped and the red signal lights are flashing.

Seat belts. Ontario law requires that adults and children over 18 kg (40 lbs) in weight wear seat belts if the car is designed with them. Infants from birth to 9 kg (20 lbs) must travel in a rear-facing child-restraint system. Toddlers weighing 9 to 18 kg (20 to 40 lbs) must travel in a front facing child restraint seat.

Speed Limits. Speed limits in Ontario are in kilometres. Freeways have a speed limit of 100 km/h (62 mph). The Trans Canada routes are set at 90 km/h (56 mph). Most other rural highways and county roads have a speed limit of 80 km/h (50 mph) with some at 90 km/h (56 mph). In urban and other populated areas the speed limits generally range from 40 to 60 km/h (25 to 37 mph).

Streetcar Stops. Vehicles must remain at a standstill at least 2 m (six feet) behind the rearmost door of a stopped streetcar for the safety of passengers boarding or alighting.

Studded tires. Studded tires are forbidden on Ontario highways.

Windshields and windows. Windshields and side-front windows must allow a clear view of the vehicle's interior and the colour coding cannot substantially obscure the interior.

Some Facts About

The Canada Select Rating Program

The CANADA SELECT Accommodation Rating Program is available here and in six other provinces in 1994, and will be Canada-wide in two years.

LOOK FOR THIS SIGN:

The Accommodation Rating Program

Every CANADA SELECT Recommended lodging establishment is inspected annually by professionally trained field staff. Only those properties which have met the rigid standard of cleanliness and state of repair of the program may qualify to be CANADA SELECT Recommended. Once standards of cleanliness and state of repair have been determined to be satisfactory, the lodging establishment is physically inspected and is assigned an accommodation category and a star rating from one to five stars.

Please note that personal service, food quality (if applicable), staff courtesy and other similarly subjective considerations do not form a part of the star rating. However, because consumers have indicated that these considerations are very important to their overall experience at a lodging establishment, in Ontario a new and innovative consumer "check" rating, from one to five checks, is being introduced by CANADA SELECT.

Categories

To help you identify the establishments that will most likely suit your changing needs for any given trip, CANADA SELECT Recommended properties are first categorized according to property type – Hotel/Motel, Resort, Inn/Bed & Breakfast, and Fishing/Hunting (Resort). The types of properties within these categories are as follows:

HOTELS/MOTELS

Includes hotels, motor hotels, motels and all-suites. Establishments providing transient accommodation where the reason for the trip is usually something other than staying at the property itself.

RESORTS

Includes resort hotels, resort lodges and housekeeping (cottage) resorts. "Destination" accommodations where the reason for the trip is usually based on recreational and leisure facilities and services offered on site. Usually located in a non-urban area by a lake or river.

FISHING/HUNTING

Includes fishing/hunting lodges and fishing/hunting camps. "Destination" accommodations where the reason for the trip is usually based on fishing and/or hunting recreational and leisure facilities and services offered on site or in the immediate vicinity. Usually located in a non-urban area by a lake or river.

INNS/B&Bs

Includes inns and bed and breakfast establishments. A minimum of four accommodation units, to a maximum of 40 units. "Destination" and "transient" accommodations where the reason for the trip may or may not be to stay at the property itself, but where the unique character of the establishment is a significant part of the reason for the selection of the accommodation. Personalized hospitality and service is usually provided directly by the owner.

Star Ratings

To further assist in your selection, each establishment is awarded a "star rating" from one to five stars, in accordance with rating criteria established for each of the four accommodation categories. The criteria for each category are based on consumer expectations of extent of facilities and services, and physical quality, of accommodation and public areas. Because quality and extent of facilities and services often vary in relation to one another, identical star ratings do not necessarily mean identical quality and extent of facilities and services.

- ★ Clean, comfortable accommodation.
- ★★ Clean, comfortable accommodation with additional facilities and guest services.
- ★★★ Very comfortable accommodations with a variety of facilities, amenities and guest services – "full service".
- ★★★★ The highest standard of accommodations, along with an extensive range of facilities, amenities and guest services available.
- ★★★★★ Exceptional properties which are among the very best in the country in terms of the outstanding facilities, guest services and quality of facilities provided.

In order to provide a more accurate assessment, "½" star ratings are also awarded. A 2½ star rating, for example, will appear as ★★½

Check Ratings

In addition to the "star" rating, the CANADA SELECT Program has a special consumer "check" rating. This rating is determined from the results of a random survey of guests who have stayed at the rated property. The check rating reflects the overall "quality of experience" that guests have had while staying at the lodging establishment. It is not the same as the "star" rating: it reflects the quality of service, food, hospitality, etc. that guests received, and that you can expect to enjoy.

- ✓ Generally good standards of guest service (and cuisine, if available) – a trouble free experience.
- ✓✓ Commendable standard of hospitality and guest service.
- ✓✓✓ Notably high standards of guest service and hospitality – very friendly and helpful staff.
- ✓✓✓✓ First class standards of hospitality and guest service – a strong dedication to guest comfort and service.
- ✓✓✓✓✓ Exceptional standards of hospitality and personalized service – total dedication to guest comfort and service.

If you are presented with a CANADA SELECT ballot to fill out while a lodging establishment is being surveyed, please take the time to fill it out. Your input is very important.

NB. Properties which have not been awarded a check rating this year either did not receive a sufficient number of completed consumer ballots, or entered the program too late to survey their guests.

Please Note:
The decision to be rated is entirely voluntary on the part of proprietors of lodging establishments throughout Ontario. Many unrated properties offer clean, comfortable accommodation facilities and a range of guest facilities that are at least equal to those of rated properties.

Jours fériés

Lorsque nous parlons de l'Action de grâces, nous parlons de l'Action de grâces canadienne, qui est célébrée le deuxième lundi du mois d'octobre.

Les autres jours fériés en Ontario sont : le jour de l'An, le Vendredi saint, la fête de la Reine (le 24 mai ou le lundi précédent), la fête du Canada (le 1er juillet), la fête civique (le premier lundi d'août), la fête du Travail (le premier lundi de septembre), le jour de Noël et le lendemain de Noël (le 26 décembre).

En Ontario, de nombreux endroits sont fermés le jour de Noël, le jour de l'An et le Vendredi saint. Veillez à vous renseigner avant de partir.

Hôpitaux et services médicaux

Nous recommandons fortement aux personnes souhaitant visiter l'Ontario de souscrire une assurance maladie avant de quitter leur pays. (Il est possible que votre assurance maladie ne couvre pas les frais médicaux encourus hors de votre pays de résidence.) Les visiteurs en Ontario ne sont pas admissibles au Régime d'assurance santé. Si vous prenez des médicaments prescrits par votre médecin, emportez-en en quantité suffisante et munissez-vous d'une copie de l'ordonnance de votre médecin au cas où vous devriez la faire renouveler par un médecin de l'Ontario. Pour obtenir de plus amples renseignements et des détails concernant l'assurance, veuillez contacter votre agent de voyage ou d'assurance.

Lois sur l'utilisation des terrains

La loi sur la responsabilité des occupants diminue la responsabilité des propriétaires fonciers ruraux en ce qui concerne la sécurité des visiteurs non payants. Les propriétaires peuvent ériger des panneaux pour indiquer les activités autorisées sur leur propriété.

La loi sur la violation du droit de la propriété désigne les lieux et installations où il est interdit d'entrer sans autorisation, même si aucun avis n'est affiché. L'entrée sur les autres propriétés peut être interdite par un avis. Un signe rouge d'un diamètre d'au moins 10 cm équivaut à un signe «Défense d'entrer». Les contrevenants peuvent être passibles d'une amende pouvant aller jusqu'à 2 000 $, sans compter qu'ils peuvent être tenus responsables des dommages qu'ils ont causés.

Boissons alcoolisées

Il faut avoir au moins 19 ans pour acheter des spiritueux, de la bière ou du vin importé ou canadien dans les magasins d'alcool du gouvernement. On peut également se procurer une plus grande variété de bières canadiennes dans les magasins de vente au détail de bière, que l'on retrouvera un peu partout dans la province. Il est permis de consommer des boissons alcoolisées entre 11 h et 1 h. En Ontario, il est interdit de consommer de l'alcool ailleurs que dans une résidence ou dans un établissement détenteur d'un permis. Il est également interdit de consommer de l'alcool dans un bateau en marche. Veuillez noter qu'il est également illégal de conduire des véhicules à moteur, bateaux y compris, alors que la capacité d'une personne de conduire ou d'utiliser un tel véhicule est affaiblie par l'alcool. De plus, vous risquez d'être reconnu coupable d'un acte criminel si vous refusez de subir le test de l'ivressomètre ou si le pourcentage d'alcool dans votre sang dépasse 80 mg (0,08 %) par 100 mL de sang.

Animaux familiers

Les chiens et les chats de plus de trois mois, qui entrent au Canada, en provenance des États-Unis, ont besoin d'un certificat signé par un vétérinaire licencié, indiquant qu'ils ont été vaccinés contre la rage au cours des trente-six mois précédents. Le certificat doit fournir une description détaillée et lisible de l'animal ainsi que la date de la vaccination. Les vaccinations datant de un à trois ans sont acceptables. Les chiens doivent avoir été vaccinés au cours des 36 mois précédents et au moins 30 jours avant le retour aux États-Unis.

Tarifs postaux

Il faut utiliser des timbres postaux canadiens sur tout le courrier posté au Canada. L'affranchissement est de 43 ¢ pour les cartes postales et les lettres jusqu'à 30 g envoyées au Canada, de 49 ¢ pour les cartes et lettres envoyées aux États-Unis et de 86 ¢ pour les cartes et lettres envoyées dans les autres pays (tarifs en vigueur en 1993).

Transports publics

La province est desservie par des réseaux régionaux et nationaux de lignes aériennes, de chemins de fer, de routes et de traversiers. Les vols nolisés vous permettront d'atteindre les destinations les plus lointaines. Les 61 aéroports de la province de l'Ontario sont desservis par 13 compagnies aériennes, qui offrent des vols réguliers. N'importe quel agent de voyages de bonne foi se fera un plaisir de vous trouver un moyen de transport. Si vous êtes déjà sur place et vous avez besoin d'utiliser les transports en commun, adressez-vous à une agence de voyages locale ou consultez les pages jaunes de l'annuaire téléphonique, puis appelez la compagnie et réservez vous-même.

Les plus importantes compagnies de transport aérien canadiennes sont Air Canada et Canadian Airlines International. Via Rail Canada relie la plupart des grandes villes de la province, et relie également le réseau Amtrak, ainsi que d'autres lignes ferroviaires américaines à de nombreux endroits à la frontière. Les principales compagnies d'autobus sont Gray Coach, Greyhound et Voyageur Colonial.

Le Ontario Intercity Guide, publié par le ministère des Transports, vous indique comment vous rendre dans les communautés de toute la province en empruntant les transports publics et qui contacter pour obtenir des informations relatives aux horaires et aux prix. Vous pouvez obtenir une copie de ce guide en vous adressant à Tourisme Ontario.

Remboursement de la taxe de vente

En tant que visiteur en Ontario en provenance de l'extérieur du Canada, vous pouvez réclamer le remboursement de la taxe fédérale sur les produits et services (TPS) de 7 %, sur les achats cumulés de plus de 100 $, pour autant que les marchandises sortent de l'Ontario dans les 60 jours et que la demande soit faite dans l'année qui suit l'achat. La taxe ajoutée au prix des chambres d'hôtel ou de motel est également remboursable.

On peut obtenir de plus amples renseignements et des formulaires de demande de remboursement en s'adressant à Tourisme Ontario.

Climat

Le climat en Ontario ressemble beaucoup à celui du nord des États-Unis. Juin, juillet et août sont les vrais mois d'été. Les journées sont généralement chaudes, avec des nuits pouvant être fraîches, surtout dans le Nord. Il est recommandé d'apporter des vêtements moyennement chauds de la mi-septembre à la mi-novembre et de la mi-mars à la fin avril. En hiver, il est recommandé de vous habiller chaudement.

C'est en conduisant que vous pourrez appréciez le plus la diversité des paysages de l'Ontario. Et c'est aussi en conduisant que vous pourrez vous rendre rapidement là où vous le souhaitez. Notre excellent système d'autoroutes et de routes principales relie les grandes villes, les centres urbains et les régions touristiques. Nos petites routes de campagne, plus paisibles, sauront charmer le voyageur peu pressé.

Toutefois, nous vous recommandons d'obtenir un permis de condurie international avant votre voyage. Si vous passez la frontière, ayez sur vous les formulaires d'enregistrement du véhicule ainsi qu'une carte canadienne d'assurance gratuite pour les non-résidents que vous pouvez obtenir auprès de votre agent d'assurance ou de la police elle-même. En Ontario, la protection minimum de l'assurance-responsabilité civile est de 200 000 $. Si vous conduisez une voiture empruntée, vous devez avoir une lettre d'autorisation signée par le propriétaire et s'il s'agit d'une voiture louée, veillez à garder avec vous une copie du contrat de location.

Services de dépannage. Un service de dépannage est offert dans la plupart des régions de l'Ontario par l'Association canadienne des automobilistes (ACA) et le Canadian Tire Auto Club (CTAC). L'ACA est affiliée à plusieurs clubs d'automobilistes internationaux, dont l'American Automobile Association. Le CTAC est affilié au Amoco Auto Club. Les membres ont droit à des avantages réciproques. Consultez l'annuaire téléphonique pour trouver les services et clubs de dépannage automobile.

Essence. Nos stations-service vendent de l'essence sans plomb et de la super sans plomb (Remarque: on ne vend plus d'essence avec plomb). De nombreuses stations-service vendent aussi du carburant diesel, et plus particulièrement celles qui sont situées sur les grandes routes. Les stations-service offrant du propane pour les véhicules à moteur sont de plus en plus nombreuses.

Certaines stations ferment à 19 h et certaines n'ouvrent pas du tout le dimanche. Toutefois, dans les plus grands centres et le long des autoroutes, (autoroutes de la série 400) on peut se procurer de l'essence 24 heures sur 24.

Voitures de location. Il est possible de louer une voiture dans les nombreux bureaux des agences de location se trouvant dans les aéroports internationaux et dans de nombreux villages et villes. Pour la plupart des compagnies, il faut être âgé d'au moins 21 ans et fournir une preuve de solvabilité.

Services. La Police provinciale de l'Ontario patrouille sur les grandes routes et dans les zones non desservies par la police municipale. Vous pouvez contacter l'O.P.P. localement ou composer l'un des numéros sans frais figurant sur la Carte routière de l'Ontario.

Si, au cours d'un accident, vous êtes blessé ou si les dégâts matériels sont supérieurs à 700 $, vous devez en avertir la police et rester sur les lieux jusqu'à ce que les policiers aient terminé leur enquête.

Des postes de secours sont clairement identifiés le long des autoroutes.

Pour obtenir des renseignements sur l'état des autoroutes dans la province, adressez-vous à l'un des bureaux régionaux du ministère des Transports; Le numéro sans frais 24 heures sur 24 est le 1-(800)-267-1376. Dans la région du Toronto métropolitain, appelez le bureau des renseignements de la route au (416) 235-1110.

Péages. Les ponts internationaux, les tunnels et les traversiers sont à péage. Nos autoroutes sont gratuites.

Règles de la circulation

Les règlements de la circulation en Ontario sont sans doute légèrement différents de ceux auxquels vous êtes habitué. Voici donc certains conseils qui vous aideront à passer de bonnes vacances en Ontario.

Bicyclettes. Les bicyclettes sont considérées comme des véhicules et doivent donc obéir aux mêmes lois de la circulation. Il est interdit de rouler à bicyclette sur les autoroutes de l'accès contrôlé.

Auto-stop. Il est interdit de faire de l'auto-stop sur les autoroutes les plus importantes (où les piétons sont interdits), telles que la QEW.

Détecteurs de radar. Il est interdit d'utiliser des détecteurs de radar en Ontario, même s'ils ne sont pas en fonctionnement et simplement transportés dans votre véhicule. Notre police peut confisquer de tels appareils et vous donner une amende.

Tourner à droite au feu rouge. Sauf indication contraire, il est permis de tourner à droite au feu rouge. Vous devez vous arrêter complètement aux feux, mais vous pouvez tourner à droite après vous être assuré que la voie est libre.

Autobus scolaires. Arrêt obligatoire pour la circulation dans les deux sens lorsqu'un autobus scolaire est à l'arrêt et que ses lumières rouges clignotent et dont le panneau «Stop» est mis en position (sauf sur les routes divisées et sur les autoroutes).

Ceintures de sécurité. La loi ontarienne exige que les enfants pesant plus de 18 kg et les adultes portent une ceinture de sécurité, pour autant que la voiture dans laquelle ils se trouvent en soit équipée. Les enfants de la naissance à 9 kg doivent voyager dans des sièges-bébés installés dans le sens opposé à celui de la marche du véhicule. Les petits enfants pesant entre 9 et 18 kg (20 et 40 lb) doivent voyager dans un siège pour enfants faisant face à la route.

Limites de vitesse. En Ontario, les limites de vitesse sont indiquées en kilomètres. Sur les autoroutes à accès limité, la limite de vitesse est fixée à 100 km/h. Sur les routes transcanadiennes, elle est fixée à 90 km/h Sur la plupart des autres routes rurales et chemins de comtés, la limite de vitesse est fixée à 80 km/h, avec certaines zones à 90 km/h. Dans les zones urbaines et autres régions habitées, la limite de vitesse est généralement de 40 à 60 km/h.

Arrêts des tramways. Pour la sécurité des passagers qui montent ou qui descendent d'un tramway, les véhicules doivent s'arrêter à au moins 2 mètres de la dernière porte arrière d'un tramway à l'arrêt.

Pneus à clous. Les pneus à clous sont interdits sur les routes de l'Ontario.

Pare-brise et glaces. Le pare-brise et les glaces latérales avant doivent permettre une vue dégagée de l'intérieur du véhicule et leur couleur ne doit pas obscurcir l'intérieur du véhicule de façon exagérée.

Le programme de classement

Canada Select

Le Programme de classement des établissements d'hébergement CANADA SELECT, opère ici et dans six autres provinces en 1994; dans deux ans, il s'étendra à l'ensemble du territoire canadien.

CHERCHEZ CE PANNEAU DE SIGNALISATION :

Le programme de classement des établissements d'hébergement

Tous les établissements d'hébergement recommandés par CANADA SELECT font l'objet d'une inspection annuelle (par un personnel professionnel). Seuls les établissements qui ont satisfait à des normes sévères de propreté et d'état physique des lieux peuvent être recommandés par CANADA SELECT. Une fois que les critères de propreté et d'apparence physique ont été considérés comme satisfaisants, l'établissement d'hébergement est inspecté; on lui assigne ensuite une catégorie et des étoiles dont le nombre va d'une à cinq.

Veuillez noter que le caractère personnalisé du service, la qualité de la nourriture (s'il y a lieu), la courtoisie du personnel et d'autres considérations subjectives de cet ordre n'interviennent pas dans l'attribution des étoiles. Toutefois, étant donné l'importance, aux yeux des consommateurs, de ces critères dans l'évaluation globale de l'expérience d'hébergement en Ontario, un nouveau système novateur de cotation sur une échelle en cinq points vient d'être introduit par CANADA SELECT.

Catégories

Pour vous aider à cerner les établissements d'hébergement qui sont les plus susceptibles de combler des besoins fluctuants, essentiellement liés aux activités sélectionnées, CANADA SELECT a recommandé que les propriétés soient d'abord classées selon leur genre : motel-hôtel, centre de villégiature, auberge, gîte du passant, pavillon de pêche et de chasse. En voici une description plus détaillée :

HÔTELS/MOTELS

Cette catégorie comprend les hôtels, les motels-hôtels et les motels. Ils offrent l'hébergement temporaire lorsque le motif du voyage est extrinsèque au séjour dans l'établissement.

CENTRES DE VILLÉGIATURE

Comprend les hôtels touristiques, les pavillons touristiques ainsi que les pavillons-chalets avec cuisine. Il s'agit d'un genre de logement où le voyage n'a pas d'autre but que les activités récréatives et les loisirs offerts sur place. Habituellement situés dans une région non-urbaine, près d'un lac ou d'une rivière.

CHASSE ET PÊCHE

Comprend les pavillons de chasse et de pêche et les camps de chasse et de pêche. Il s'agit d'un établissement où le voyage a pour but de profiter des installations et des services de pêche ou de chasse offerts sur place ou à proximité. Habituellement situés dans une région non-urbaine, près d'un lac ou d'une rivière.

AUBERGES ET GÎTES DU PASSANT

Incluent les auberges et les gîtes du passant. Un minimum de quatre unités de logement jusqu'à un maximum de 40 unités. Il s'agit d'établissements d'hébergement où le motif du voyage peut être – ou ne pas être – étranger aux activités et divertissements de l'endroit mais où le caractère unique de l'établissement constitue, en soi, un critère de sélection. Un accueil et un service personnalisés sont habituellement assurés par le propriétaire lui-même.

Classement par étoiles

Pour concourir davantage à un choix judicieux de votre part, nous avons attribué à chaque établissement une cote variant d'une à cinq étoiles, conformément à des critères établis pour chacune des quatre catégories de logement. Les critères pour chaque catégorie sont fondées sur les attentes du consommateur quant à l'ampleur des installations de services et à la qualité physique des aires d'hébergement et des parties communes. Puisque la qualité et la quantité des installations et des services varient souvent les unes par rapport aux autres, un nombre d'étoiles identique ne signifie pas nécessairement un même degré de qualité et un même niveau – quantitatif – d'installations et des services.

- ★ établissement propre, confortable;
- ★★ propre, confortable avec quelques commodités;
- ★★★ très confortable, avec une variété de commodités et de services aux clients – la plupart des services hôteliers y sont offerts;
- ★★★★ les plus hautes normes d'hébergement allant de pair avec une gamme complète d'installations, de commodités et de services aux clients;
- ★★★★★ propriétés exceptionnelles qui sont parmi les meilleures du pays en égard au caractère des installations, des services aux clients et de la qualité.

En vue d'en arriver à un classement plus exact, un système de demi-étoiles a été adopté. Par exemple, une cote de 2,5 étoiles sera représentée par ★★½.

Le classement par coches

En plus du classement par «étoiles», le Programme CANADA SELECT offre un classement spécial par «coches» à la demande des consommateurs. Ce classement représente les résultats d'un sondage au hasard auprès de la clientèle des établissements classés. Le classement par coches reflète la «qualité générale de l'expérience vécue» par les clients lors de leur séjour dans l'établissement d'hébergement concerné. Le classement «par coches» diffère du classement par étoiles. Il reflète la qualité du service, de la nourriture, de l'accueil etc. à laquelle la clientèle peut s'attendre et telle qu'elle la perçoit.

- ✓ qualité des services à la clientèle généralement acceptable (et des repas s'il y a lieu); un séjour sans histoires;
- ✓✓ niveau appréciable d'hospitalité et de service à la clientèle;
- ✓✓✓ haut niveau de service et d'accueil – très bonne hospitalité; personnel très serviable;
- ✓✓✓✓ hospitalité et service à la clientèle de première classe – beaucoup d'efforts sont consacrés au confort de la clientèle et aux services;
- ✓✓✓✓✓ accueil et services personnalisés exceptionnels – première priorité accordée au confort de la clientèle et aux services offerts.

Si on vous propose de remplir un questionnaire alors que vous séjournez dans un établissement d'hébergement coté par CANADA SELECT, veuillez avoir, s'il-vous-plaît, l'obligeance de prendre le temps voulu pour le remplir. Votre contribution est très importante.

NB. Les établissements qui manquent de classement par coche n'ont pas accumulé un nombre suffisant de questionnaires remplis, ou bien ils se sont inscrits au programme trop tard pour pouvoir sonder leur clientèle.

Remarque : La décision de se soumettre au classement est du strict ressort des propriétaires des établissements d'hébergement de l'Ontario. De nombreux établissements non cotés offrent des installations d'hébergement propres et confortables et une gamme de services à la clientèle qui peuvent être au moins égales à celle des propriétés classées.

Krankenhaus und Medizinische Versorgung

Besuchern wird dringend empfohlen, vor der Ausreise aus dem eigenen Land eine Krankenversicherung abzuschließen. (Es ist möglich, daß Ihre Krankenversicherung außerhalb Ihres Heimatlandes nicht gültig ist). Besucher der Provinz Ontario haben keinen Anspruch auf Krankenversicherung. Wenn Sie auf ein Medikament angewiesen sind, das Ihnen Ihr Arzt verschrieben hat, bringen Sie sich einen ausreichenden Vorrat davon mit, außerdem eine Kopie des Rezeptes, falls es von einem Arzt in Ontario neu ausgestellt werden muß. Für weitere Information und Einzelheiten über Krankenversicherung fragen Sie bei Ihrem Reisebüro oder Ihrer Versicherung nach.

Gesetze bezüglich Grundbesitz

Das Gesetz bezüglich der Haftpflicht des Eigentümers bzw. Bewohners (Occupier's Liability Act) vermindert die Verantwortlichkeit des Besitzers eines ländlichen Grundstücks für die Sicherheit von nichtzahlenden Besuchern. Schilder, welche auf die Tätigkeiten hinweisen, welche auf einem Grundstück erlaubt sind, können aufgestellt werden.

Das Gesetz bezüglich des unautorisierten Betretens von Grundstücken (Trespass to Property Act) legt fest, zu welchen Grundstücken der Zutritt auch ohne besondere Hinweise verboten ist. Das Verbot des Zutritts zu anderen Grundstücken kann durch besondere Hinweise angezeigt werden. Ein rotes Markierungsschild mit einem Durchmesser von mindestens 10 cm hat die gleiche Bedeutung wie ein Schild mit der Aufschrift "No Trespassing" (Betreten Verboten). Unbefugte können zu Geldstrafen bis zu 2000 Dollar verurteilt werden und müssen gegebenenfalls für die Reparatur von Schäden aufkommen, die durch sie entstanden sind.

Öffentliche Transportmittel

Die Provinz ist von einem Netz regionaler und nationaler Fluglinien, Eisenbahnverbindungen, Buslinien und Schiffsverbindungen durchzogen. Charterflüge bringen Sie zu entfernteren Zielen. Ontario wird von 13 Fluglinien versorgt, die innerhalb der Provinz 61 Flugplätze anfliegen. Jedes professionelle Reisebüro wird gerne alles für Sie regeln. Wenn Sie bereits in Kanada sind und ein öffentliches Transportmittel brauchen, wenden Sie sich an das nächste Reisebüro (am Ort) oder schlagen Sie in den gelben Seiten nach, rufen Sie die Transportgesellschaft an und buchen Sie direkt.

Die Haupttransportunternehmern in Kanada sind Air Canada und Canadian Airlines International. "VIA Rail Canada" verbindet die meisten großen Städte der Provinz und bietet Anschlüsse an Amtrak und andere Eisenbahnlinien der USA an vielen Grenzübergängen. Die größten Buslinien sind Gray Coach, Greyhound und Voyageur Colonial.

Der "Ontario Intercity Guide", welcher vom Transportministerium veröffentlicht wird, enthält Angaben über die öffentlichen Verkehrsmittel-Verbindungen zwischen den verschiedenen Städten rund um Ontario. Er listet ebenfalls Kontaktadressen auf, unter denen man Information zum Fahrplan und zu den Gebühren erhalten kann. Exemplare können von Ontario Travel bezogen werden.

Rückerstattung von Mehrwertsteuer

Besucher von außerhalb Kanadas können eine Rückerstattung der Bundessteuer GST (Steuer auf Waren und Dienstleistungen) von 7 % beantragen. Dies gilt für gekaufte Waren mit einem Gesamtwert von mehr als $100, vorausgesetzt, daß die Waren innerhalb von 60 Tagen aus Ontario ausgeführt wurden und der Antrag bis zu einem Jahr nach dem Kauf eingereicht wurde. Die Steuer, die auf Übernachtungen in Hotels und Motels erhoben wird, kann ebenfalls zurückerstattet werden.

Das Wetter

Das Wetter in Ontario ist sehr ähnlich wie im Norden der Vereinigten Staaten. Juni, Juli und August sind unsere eigentlichen Sommermonate. Dann sind die Tage gewöhnlich warm, die Nächte können jedoch kühl sein, besonders im Norden. Von Mitte September bis Mitte November und von Mitte März bis Ende April sind Sie mit Übergangskleidung oder warmer Kleidung gut bedient. Im Winter muß man sich sehr warm anziehen.

Verkehrsregeln für das

Fahren in Ontario

Das Autofahren ist eine der besten Methoden, möglichst viel von der Vielfalt und der Landschaft Ontarios zu erleben. Erstklassige Autobahnen und Schnellstraßen verbinden die Städte, Dörfer und Erholungsgebiete miteinander, so daß man immer schnell ans Reiseziel kommt. Oder Sie können die ruhigeren Landstraßen wählen, die einen besonderen Reiz für den Reisenden mit etwas mehr Zeit bieten.

Autos

Papiere. Ein gültiger Führerschein aus jedem Land ist für 3 Monate in Kanada ausreichend. Als zusätzlichen Ausweis sollten Sie eventeull vor Ihrer Reise einen internationalen Führerschein erwerben. Wenn Sie über die Grenze fahren, führen Sie Ihre Wagenpapiere und eine "Canadian Non-resident Insurance Card" (kostenlose kanadische Versicherungskarte für Nicht-Bürger) von Ihrer eigenen Versicherung bei sich oder den Versicherungsvertrag selbst. Die niedrigste Haftpflichtversicherung in Kanada beläuft sich auf $200.000. Wenn Sie ein geliehenes Auto fahren, bringen Sie auch einen Erlaubnisschein mit Unterschrift des Eigentümers mit sich. Wenn Sie einen Mietwagen fahren, fügen Sie eine Kopie des Mietvertrags bei.

Straßenverkehrsnotdienst für Autofahrer. Straßenverkehrsnotdienst für Autofahrer ist fast überall in Ontario durch die Canadian Automobile Association (CAA) und den Canadian Tire Auto Club (CTAC) erreichbar. Der CAA ist mit verschiedenen internationalen Autoclubs verbunden, u.a. mit der American Automobile Association. Der CTAC ist mit dem Amoco Auto Club verbunden. Mitglieder können gegenseitige Hilfe beanspruchen. Schlagen Sie im Telefonbuch unter Autoclubs und Straßenverkehrsnotdiensten nach.

Benzin. Unsere Tankstellen verkaufen normales Benzin (Bitte beachten: bleihaltiges Benzin gibt es nicht mehr) und Superbenzin. Viele Tankstellen führen auch Diesel, besonders an Highways (Schnellstraßen). Die Anzahl der Tankstellen, die Propangas für Fahrzeuge verkaufen, ist sehr im Ansteigen begriffen.

Einige Tankstellen schließen um 19 Uhr und viele bleiben am Sonntag geschlossen. In größeren Orten und an den Autobahnen Straßen der Serie 400 ist Benzin rund um die Uhr 24 Stunden erhältlich.

Mietwagen. Mietwagenstationen gibt es in unseren internationalen Flughäfen und in vielen unserer Städte und Großstädte. Bei den meisten Firmen ist das Mindestalter 21, wenn man Kreditwürdigkeit nachweisen kann.

Dienstleistungen der Polizei. Die Polizei der Provinz Ontario überwacht die Highways und andere Gebiete, die von städtischen Polizeikräften nicht versorgt werden. Man erreicht sie am Ort, oder indem man eine der gebührenfreien Rufnummern wählt, die auf der offiziellen Straßenkarte von Ontario (Ontario Official Road Map) aufgeführt sind.

Wenn Sie in einen Unfall mit Personenschaden oder mit Sachschaden über $700 verwickelt sind, müssen Sie die Polizei verständigen und am Unfallort bleiben, bis der Unfallhergang aufgenommen ist.

Erste-Hilfe-Stationen sind an den Highways deutlich ausgeschildert.

Information über den Zustand der Highways in der Provinz ist das ganze Jahr über von den regionalen Büros des Verkehrsministeriums (Ministry of Transportation) erhältlich. Gebührenfreier Anruf (24 Stunden pro Tag) unter der Nr. 1-800-267-1376. Für den Großraum Toronto rufen Sie das "Road Information Office" (Straßeninformationsbüro) an (416) 235-1110.

Straßengebühren. Internationale Brücken, Tunnels und Fähren verlangen eine Gebühr, aber unsere Highways sind gebührenfrei.

Verkehrsregeln

Ontarios Verkehrsregeln sind vielleicht etwas anders, als Sie es gewohnt sind. Deshalb hier eine Reihe von Verkehrstips für Ihren Urlaub in Ontario.

Fahrräder: Farräder gelten als Fahrzeuge und müssen dieselben Verkehrsregeln beachten. Auf kontrollierten Zufahrtsstraßen sind Fahrräder nicht zugelassen.

Fahren per Anhalter: Das Fahren per Anhalter ist auf großen Autobahnen (ohne Fußgängerbenutzung) verboten (z.B. QEW).

Radar-Warngeräte: Radar-Warngeräte sind in Ontario verboten auch dann, wenn sie ausgestellt sind und nur in einem Fahrzeug transportiert werden. Unsere Polizei ist berechtigt, diese zu beschlagnahmen und außerdem eine Strafgebühr zu verlangen.

Rechtsabbiegen an roter Ampel: Rechtsabbiegen ist an einer roten Ampel zulässig, wenn nicht anders angegeben. Man muß an der Ampel zum vollen Halt kommen, darf aber vorsichtig weiterfahren, wenn der Weg frei ist.

Schulbusse: Verkehr in beiden Richtungen muß anhalten (außer auf Straßen mit Mittelstreifen oder auf Autobahnen), wenn ein gelber Schulbus anhält und die roten Warnleuchten blinken.

Sicherheitsgurte: Die Verkehrsregeln in Ontario erfordern, daß Erwachsene und Kinder über 18 Kilogramm Gurte benutzen, wenn das Auto damit ausgerüstet ist. Säuglinge bis zum Gewicht von 9 Kilogramm, müssen in einem Kindersitz transportiert werden, der entgegengesetzt zur Fahrtrichtung zeigt. Kleinkinder (Gewicht 9-18 kg bzw. 20-40 Pfund) müssen in einem Kindersitz transportiert werden, der nach vorne gerichtet ist.

Höchstgeschwindigkeiten: Die Höchstgeschwindigkeiten in Ontario werden in Kilometern angegeben. Die Autobahnen haben eine Höchstgeschwindigkeit von 100 Stundenkilometern. Die "Trans-Canada Routes" haben eine Höchstgeschwindigkeit von 90 Stundenkilometern. Auf den Landstraßen und sonstigen Straßen auf dem Land darf man 80 Stundenkilometer, auf einigen 90 kmh fahren. In der Stadt und in anderen Wohngebieten schwankt die Höchstgeschwindigkeit im allgemeinen zwischen 40 und 60 kmh.

Straßenbahn-Haltestellen: Bei einer Straßenbahn, die angehalten hat, müssen Fahrzeuge mindestens 2 Meter hinter dem Hinterausgang stehen bleiben, um ein- oder aussteigende Fahrgäste nicht zu gefährden.

Reifen mit Spikes: Reifen mit Spikes sind auf Highways in Ontario verboten.

Windschutzscheiben und Fenster: Windschutzscheiben und vordere Seitenfenster müssen eine ungehinderte Einsicht in das Wageninnere gewährleisten. Die Tönung der Fenster darf nicht das Wageninnere verbergen.

Das Einstufungsprogramm von

Canada Select

Das Einstufungsprogramm für Unterkünfte heißt CANADA SELECT. Es wird in Ontario von Tourism Ontario Inc. verwaltet, wird 1994 hier und in Sechs andere Provinzen angeboten und wird in zwei Jahren überall in Kanada zur Verfügung stehen.

ACHTEN SIE AUF DIESES SCHILD:

Das Einstufungsprogramm für Unterkünfte

Jede von CANADA SELECT empfohlene Unterkunft wird jährlich von professionell geschultem Personal beurteilt. Ausschließlich solche Unterkünfte kommen für CANADA SELECT in Frage, die den strengen Sauberkeits- und Reparaturbestimmungen entsprechen. Wenn die Sauberkeits- und Reparaturbestimmungen als zufriedenstellend beurteilt worden sind, wird die Unterkunft auf ihre Ausstattung hin beurteilt, einer Unterkunftskategorie zugeteilt und bekommt eine Klassifizierung durch Sterne (zwischen 1 und 5).

Beachten Sie bitte, daß persönliche Bedienung, Qualität der Speisen (wo zutreffend), Zuvorkommenheit und andere ähnliche subjektive Beurteilungskriterien nicht Bestandteil der Sternklassifizierung sind. CANADA SELECT hat aber in Ontario eine ganz neue Klassifizierung für Verbraucher eingeführt, mit der Einteilung eins zu fünf, weil Verbraucher darauf hingewiesen haben, daß diese Kriterien für ihr Gesamtbefinden in einer Unterkunft sehr wichtig sind.

Kategorien

Um Ihnen bei der Auswahl der Unterkunft behilflich zu sein, die den Anforderungen Ihrer jeweiligen Reise entsprechen soll, werden von CANADA SELECT empfohlene Unterkünfte zuerst nach Betriebstyp eingeteilt – Hotel/Motel, Resort, Inn/Bed & Breakfast und Resorts für Angeln und Jagd. Die Unterkunftstypen innerhalb dieser Kategorien sind folgende:

HOTELS/MOTELS

Betrifft Hotels, Motor-Hotels, Motels und Einrichtungen, welche ausschließlich Suiten anbieten, die vorübergehende Unterkünfte bieten, wobei der Aufenthalt in dieser Unterkunft nicht der Grund der Reise ist.

RESORTS

Betrifft Resort-Hotels, Resort-Lodges und Cottage-Resorts mit Selbstversorgung. "Zielunterkünfte", der Grund des Aufenthaltes ist das Angebot an Einrichtungen für Freizeit und Erholung am Ort. Normalerweise in ländlicher Umgebung, an einem See oder Fluß gelegen.

ANGELN/JAGD

Betrifft Lodges und Standquartiere (camps) für Jagd- und Angelzwecke. "Zielunterkünfte", der Grund des Aufenthaltes ist das Angebot an Einrichtungen für Freizeit und Erholung mit Angel- und Jagdmöglichkeit am Ort oder in der unmittelbaren Umgebung. Normalerweise in ländlicher Umgebung, an einem See oder Fluß gelegen.

INNS/B&B'S

Betrifft Inns und Einrichtungen die "bed and breakfast" anbieten. Mindestens vier Unterkunftseinheiten bis maximal 40 Einheiten. "Zielunterkünfte" sowie "vorübergehende Unterkünfte", längerer Aufenthalt möglich, aber nicht notwendigerweise der Fall. Der einzigartige Charakter der Unterkunft ist ein ausschlaggebender Grund für die Wahl dieses Ortes. Normalerweise wird persönliche Bedienung und Betreuung durch den Inhaber geboten.

Klassifizierung durch Sterne

Um Ihnen in Ihrer Auswahl weiterhin behilflich zu sein, wird jede Unterkunft mit einer Anzahl von Sternen zwischen 1 und 5 gekennzeichnet. Diese Einteilung ist in Übereinstimmung mit den Einstufungskriterien für jede der vier Unterkunftskategorien aufgestellt worden. Die Kriterien für jede einzelne Kategorie basieren auf den Erwartungen des Verbrauchers, in Bezug auf den Umfang der Einrichtungen und Dienstleistungen, welcher Qualität der Unterkunft und der öffentlichen Räumlichkeiten betrifft. Weil die Qualität und der Umfang der Einrichtungen und Dienstleistungen untereinander oft variieren, bedeutet die gleiche Anzahl an Sternen nicht unbedingt gleiche Qualität und Umfang an Einrichtungen und Dienstleistungen.

- Saubere, bequeme Unterkunft
- Saubere, bequeme Unterkunft mit zusätzlichen Einrichtungen und Dienstleistungen für Gäste
- Sehr bequeme Unterkunft mit einer Vielzahl an Einrichtungen Komfort und Dienstleistungen für Gäste – "full service"
- Höchster Grad an Bequemlichkeit, dazu eine reiche Anzahl an Einrichtungen, Komfort und Dienstleistungen für Gäste
- Hervorragende Unternehmen, die zu den besten des ganzen Landes zählen, in Hinsicht auf hervorragende Einrichtungen, Dienstleistungen für Gäste und Qualität der Einrichtungen

Um eine genauere Beurteilung zu gewährleisten, werden auch halbe Sterne verliehen. Eine Einteilung als 2½ erscheint z.B. als .

Häkchen-Beurteilung

Zusätzlich zu der Klassifizierung durch Sterne, hat das Programm von CANADA SELECT eine besondere "Häkchen-Einteilung" (check rating) für den Kunden. Diese Einteilung wurde auf Grund von stichprobenartigen Umfragen unter Gästen der jeweiligen Unterkunft aufgestellt. Die Häkchen-Beurteilung soll den "allgemeinen Eindruck" widerspiegeln, den ein Gast von einer Unterkunft hat. Sie entspricht nicht der Einteilung nach Sternen, sondern bezieht sich auf die Qualität der Dienstleistungen, der Speisen, der Gastfreundschaft usw., wie die Gäste sie erlebt haben und die man in dieser Unterkunft erwarten kann.

- ✓ Allgemein gute Gästebetreuung (und Küche, wenn geboten) – ein problemloser Aufenthalt
- ✓✓ Lobenswerte Gastfreundschaft und Bedienung
- ✓✓✓ Bemerkenswert hohe Maßstäbe in Bezug auf Bedienung und Gastfreundschaft – sehr freundliches und hilfsbereites Personal
- ✓✓✓✓ Erstklassige Gastfreundschaft und Bedienung – großer Einsatz für Gästekomfort und Bedienung
- ✓✓✓✓✓ Ausgezeichnete Gastfreundschaft und persönliche Bedienung – umfassender Einsatz für Gästekomfort und Bedienung

Wenn Ihnen beim Aufenthalt in einer Unterkunft, die gerade überprüft wird, ein Umfragezettel von CANADA SELECT vorgelegt wird, nehmen Sie sich bitte die Zeit und füllen Sie ihn aus. Ihre Meinung ist uns sehr wichtig.

Einrichtungen, die dieses Jahr keine Häkchen-Beurteilung bekommen haben, sind entweder dem Programm zu spät beigetreten, um Kunden ihre Fragebögen vorlegen zu können, oder es lag eine ungenügende Anzahl von ausgefüllten Fragebögen für eine Bewertung vor.

Beachten Sie bitte folgendes: Die Entscheidung, sich einstufen zu lassen, erfolgt in Ontario von Seiten der Eigentümer auf vollkommen freiwilliger Basis. Zahlreiche Unternehmen, die nicht eingestuft sind, bieten saubere, angenehme Einrichtungen und ein Angebot an Gästeeinrichtungen, die mindestens gleichwertig sind zu solchen in eingestuften Unternehmen.

Regolamenti stradali per la

Guida nell'Ontario

Guidare nell'Ontario è certamente il modo migliore di vedere i posti ed i paesaggi voluti o di raggiungere la meta rapidamente. La città ed i centri turistici sono collegati da un sistema di autostrade di alta qualità, e lungo le quiete strade di campagna vi sono dei angolini attraenti per i turisti senza fretta.

Automobili

Documenti. Una patente di guida valida di qualunque paese è accettabile in Canada per tre mesi. Però, come documento ausiliario di identità, è consigliabile procurarsi prima della partenza una Patente di Guida internazionale. Se guidate attraverso il confine portatevi il modulo di registrazione dell'automobile ed una carta gratuita Canadian Non-Residential Insurance Card da parte del vostro agente di assicurazione, oppure la polizza stessa. La minima assicurazione combinata per responsabilità verso terzi in Ontario è di 200.000 dollari. Se guidato un'auto presa in prestito portate anche una lettera di permesso firmata dal proprietario. Se guidate un'auto a nolo includete una copia del contratto di noleggio.

Servizio stradale di emergenza. Il servizio stradale di emergenza è disponibile nella maggior parte dell'Ontario da parte della Canadian Automobile Association (CAA) e della Canadian Tire Auto Club (CTAC). La CAA è affiliata a parecchi club automobilistici internazionali, inclusa la American Automobile Association. La CTAC è affiliata alla Amoco Auto Club. I soci hanno diritto a benefici reciproci. Per trovare gli elenchi dei club e dei servizi stradali di emergenza consultare la guida telefonica.

Benzina. I nostri distributori vendono benzina senza piombo regolare e super (Notare che la benzina con piombo non è più disponibile). Molti distributori vendono anche combustibile per motori diesel, soprattutto in prossimità delle autostrade. Il numero di stazioni che offrono propano per autoveicoli è in rapido aumento.

Alcune stazioni di servizio chiudono alle 19.00 e molte sono chiuse di domenica, però nei grandi centri e lungo le autostrade (Autostrade della serie 400) la benzina è disponibile 24 ore al giorno.

Autonoleggio. Le auto si possono noleggiare presso i nostri aeroporti internazionali ed in molti centri abitati. Per la maggior parte delle ditte che noleggiano l'età minima è di 21 anni con una referenza di credito.

Servizi. La polizia dell'Ontario (Ontario Provincial Police) pattuglia le autostrade ed altre zone non servite dalle forze municipali. Contattarla localmente o chiamare uno dei numeri regionali interurbani gratis elencati nella mappa ufficiale Ontario Official Road Map.

Nel caso che siate coinvolti in un incidente che ha causato ferite a persone o danni di proprietà superiori ai 700 dollari dovete chiamare la polizia e rimanere nel luogo dell'incidente fino a quando un investigatore non vi dia il permesso di allontanarvi.

I posti di pronto soccorso sono chiaramente indicati lungo le autostrade.

Le informazioni sulle condizioni delle autostrade nella provincia sono disponibili tutto l'anno presso gli uffici regionali del ministero dei Trasporti; Il numero gratuito, con risposta a qualsiasi ora, è 1-800-267-1376. Per la zona intorno a Toronto chiamare l'ufficio di informazioni stradali al (416) 235-1110.

Tariffe. I ponti internazionali, le gallerie ed i traghetti sono a pagamento, ma le nostre autostrade sono gratuite.

Cose da sapere

Per le indicazioni di distanza (ed i limiti di velocità) ci serviamo di chilometri; ne segue che tutti i nostri cartelli sono in chilometri. Se siete abituati a pensare in miglia potete provare un po' di confusione, quindi vogliamo aiutarvi con un po' di aritmetica.

Un chilometro è uguale a cinque ottavi di un miglio; quindi, per convertire le miglia in chilometri basta moltiplicare le miglia per otto e dividere per cinque (per esempio: 100 miglia x 8 = 800 / 5 = 160 km).

Reciprocamente, per convertire i chilometri in miglia dividere i chilometri per otto, poi moltiplicare per cinque (per esempio: 160 km / 8 = 20 x 5 = 100 miglia).

Abbastanza semplice, sebbene possa essere abbastanza complicato quando si deve anche badare a dei bambini che saltano sul sedile posteriore.

Regolamenti stradali

I regolamenti stradali dell'Ontario possono essere un po' diversi da quelli a cui siete abituati, quindi vi diamo qualche consiglio per le vostre vacanze nell'Ontario.

Biciclette. Le biciclette sono considerate dei veicoli e devono obbedire agli stessi regolamenti stradali. Le biciclette non sono permesse nelle autostrade ad accesso controllato.

Autostop. L'autostop non è permesso nelle autostrade in cui l'accesso dei pedoni è controllato, come la QEW.

Apparecchi rivelatori di radar. Gli apparecchi rivelatori di radar sono proibiti in Ontario, anche se sono spenti e sono soltanto trasportati nell'auto. La nostra polizia può confiscarli e dare delle multe.

Svolte a destra con semaforo rosso. Le svolte a destra sono permesse con semaforo rosso salve indicazioni contrarie. Bisogna fermarsi completamente al semaforo, poi si può procedere con cautela se la strada è libera.

Autobus scolastici. Il traffico che procede nelle due direzioni deve fermarsi quando un autobus scolastico giallo è fermo ed ha i segnali rossi lampeggianti (ad eccezione delle strade o delle autostrade divise nel centro).

Cinture di sicurezza. La legge dell'Ontario obbliga gli adulti ed i bambini al disopra del 18 kg di peso ad indossare le cinture di sicurezza se l'automobile ne è fornita. I bambini dalla nascita ai 9 kg devono viaggiare in un sistema apposito di protezione rivolto all'indietro. I bambini che pesano da 9 a 18 kg. (da 20 a 40 libbre) devono viaggiare in un sedile di sicurezza per bambini rivolto in avanti.

Limiti di velocità. I limiti di velocità in Ontario sono in chilometri. Le autostrade hanno un limite di velocità di 100 km/h. I percorsi della Trans Canada sono fissati a 90 km/h. La maggior parte delle altre autostrade rurali e strade di contea hanno dei limiti di velocità di 80 km/h, con alcune a 90 km/h. Nelle zone urbane ed in altre zone popolate il limite di velocità si aggira dai 40 ai 60 km/h.

Fermate del tram. I veicoli devono rimanere fermi almeno due metri (sei piedi) dietro la porta posteriore di un tram fermo, per la sicurezza dei passeggeri che salgono e scendono.

Pneumatici chiodati. I pneumatici chiodati sono proibiti sulle autostrade dell'Ontario.

Parabrezza e finestre. I parabrezza e le finestre laterali anteriori devono permettere una visione chiara dell'interno del veicolo, e la patina colorata non ne deve oscurare la visibilità.

Il Programma

Di classificazione Canada Select

Il programma di classificazione degli alberghi del "CANADA SELECT" è disponibile qui, nell'Ontario, ed a partire dal 1994 in sei altre province. Entro due anni, sarà pure disponibile in tutto il Canadà.

CERCATE QUESTA INSEGNA:

In questa guida di classificazione del "CANADA SELECT", vi partecipano diversi complessi alberghieri

Ogni edificio alberghiero raccomandato dal "CANADA SELECT" viene ispezionato annualmente da personale professionalmente addestrato in questo ramo. Solo quegli edifici che si adeguano ai severi requisiti di pulizia, o necessarie riparazioni, sono qualificati ad essere raccomandati dal "CANADA SELECT". Una volta determinato se queste norme di pulizia, o riparazioni, sono state trovate soddisfacenti, l'edificio viene personalmente ispezionato ed assegnato ad una certa categoria e ad una classificazione che va da una a cinque stelle.

Vi preghiamo di notare che l'assistenza personale, la qualità del cibo (se disponibile), la cortesia del personale ed altre considerazioni altrettanto soggettive non fanno parte della classificazione basata su "stelle". Comunque, avendo la clientela indicato che queste considerazioni sono molto importanti per il loro benessere durante il loro soggiorno in un albergo, il "CANADA SELECT" si appresta ad introdurre nell'Ontario, un nuovo sistema classificativo, conosciuto come il "Visto" classificativo, che viene dato dalla clientela e va da uno a cinque "visti", a secondo dell'esperienza fatta durante il loro soggiorno.

Categorie

Per aiutarvi ad identificare il tipo di alloggio più consone alle vostre necessità, o tipo di viaggio che intraprenderete, i vari complessi alberghieri o di soggiorno raccomandati dal "CANADA SELECT" sono dapprima categorizzati secondo il tipo di soggiorno che essi offrono: albergo/motel, località di soggiorno, locanda o pensione con prima colazione, e centro di pesca / caccia. I vari complessi, nell'ambito di queste categorie sono i seguenti:

ALBERGO O MOTEL

Include alberghi, alberghi per automobilisti, motel e appartamenti per turisti. In generale si tratta di edifici in cui si fornisce ospitalità di breve durata nei casi in cui la ragione del viaggio è diversa dalla permanenza nell'edificio stesso.

LOCALITÀ DI SOGGIORNO

Include alberghi in zone turistiche, locande in zone turistiche e centri di chalet con servizi domestici. Si tratta di zone in cui la ragione del viaggio di solito si basa su attività ricreative, divertimenti e servizi offerti sul posto. Solitamente si trovano in zone non urbane, nelle vicinanze di un lago o di un fiume.

PESCA / CACCIA

Include locande e campi di pesca o caccia. Si tratta di alloggi per cui l'attrazione del viaggio di solito è nelle attrezzature ricreative e di divertimento basate sulla caccia o la pesca e nei servizi offerti sul posto o nelle vicinanze immediate. Solitamente si trovano in zone non urbane, in prossimità di un lago o di un fiume.

LOCANDE E PENSIONI

Include locande e pensioni che fanno servizio di mezza pensione (camera e prima colazione), da un minimo di 4 unità ad un massimo di 40 unità. Si tratta di alloggi in cui la ragione del viaggio può essere la permanenza nella proprietà stessa o diversa da tale permanenza, ma in cui il carattere unico della forma di alloggio è una parte significativa della ragione della sua selezione. L'ospitalità e l'assistenza personalizzate sono di solito fornite direttamente dal proprietario.

Classificazione basata su stelle

Per assistervi meglio nella vostra selezione, ad ogni alberghiera viene assegnata una classificazione con "stelle" in numero da una a cinque, secondo dei criteri stabiliti per ciascuna delle quattro categorie. I criteri per ogni categoria sono basati su ciò che il cliente si aspetta in termini di servizi e di comodita della camera e dei centri ricreativi. Siccome la qualità e la quantità dei servizi spesso variano l'uno rispetto all'altro, le identiche classificazioni a stella non indicano necessariamente qualità e varieta identiche dei servizi.

- Alloggio pulito e confortevole.
- Alloggio pulito e confortevole con servizi vari e assistenza ai clienti.
- Alloggio molto pulito con varietà di servizi, divertimenti e assistenza ai clienti, ossia "servizio completo".
- Lo standard più alto di alloggio, con una gamma estesa di servizi, divertimenti e assistenza ai clienti.
- Località eccezionali, che sono tra le migliori del paese in termini di eccellenza nei servizi, assistenza ai clienti e qualità degli ambienti.

Per fornire una valutazione più accurata vengono assegnate anche delle classificazioni a base di mezze stelle. Per esempio, una classificazione di 2½ stelle apparirebbe come

Classificazione basata su visti

Oltre alla classificazione a stelle, il programma CANADA SELECT ha una classificazione fatta dai consumatori, basata su segni di "visto", derivata dai risultati di un'indagine condotta a caso presso persone che sono state ospitate nella proprietà da classificare. La classificazione a visti riflette la qualità complessiva dell'impressione che gli ospiti hanno avuto durante la loro permanenza nell'albergo. Non è uguale alla classificazione a stelle, ma riflette la qualità del servizio, del cibo, dell'ospitalità, ecc. ricevuti dai clienti o che ci si potrebbe aspettare di ricevere.

- In generale, buon standard di servizio per i clienti (e cucina, se disponibile); una permanenza senza problemi.
- Standard di ospitalità e servizio raccomandabile.
- Standard notevolmente alto di assistenza ai clienti e di ospitalità, personale molto gentile e servizievole.
- Standard di prima classe di assistenza ai clienti e di ospitalità; dove le comodità ed il benessere dei clienti sono di primo piano.
- Standard eccezionale di assistenza personalizzata e di ospitalità; dove le comodità ed il benessere dei clienti sono eccezionali.

Se vi viene presentata una scheda del CANADA SELECT da compilare mentre una certa organizzazione è esaminata, siete pregati di farlo; la vostra partecipazione è molto importante.

NOTA: le organizzazioni non classificate quest'anno è perché non hanno ricevuto un numero sufficiente di schede compilate dai consumatori oppure sono entrate nel programma troppo tardi per condurre delle inchieste presso i clienti.

Da notare

In Ontario la decisione di farsi classificare è completamente volontaria da parte dei proprietari di alberghi e pensioni. Molte organizzazioni non classificate offrono camere e servizi puliti e confortevoli, ed una gamma di servizi per i clienti almeno uguale a quella delle proprietà classificate.

Servicios de Hospital y Médicos

Se recomienda mucho que los visitantes obtengan seguro de salud antes de dejar su país de origen. (Es posible que su seguro de salud no cubra los gastos fuera de su país de residencia). Los visitantes a la provincia de Ontario no tienen derecho a cobertura bajo el Plan de Seguro de Salud. Si usted está tomando un medicamento recetado por su doctor, traiga suficiente dosis y una copia de la receta en caso de que necesite que un doctor en Ontario se la renueve. Para mayor información y detalles sobre seguro, póngase en contacto con su agente de viajes o de seguros.

Transporte Público

La provincia está entrelazada a través de una red de vuelos de compañías aéreas regionales y nacionales, vías férreas, rutas de autobús y pontones de transbordo. Cualquier agente de viajes autorizado tendrá el placer de organizar el transporte para usted. Si usted ya está aquí y necesita transporte aéreo público, póngase en contacto con un agente de viajes local o consulte las páginas amarillas ("yellow pages"), llame a la compañía por teléfono y haga la reservación directamente.

VIA Rail conecta la mayoría de las ciudades principales en la provincia y hace conexiones con Amtrak y otras líneas férreas de los Estados Unidos en los cruces principales de frontera. Las líneas más grandes de autobuses son Gray Coach, Greyhound y Voyageur Colonial.

La Guía Inter-urbana de Ontario, publicada por el Ministerio de Transporte, indica el acceso a comunidades alrededor de la provincia a través de servicios de transporte público y enumera los lugares en donde se puede obtener información sobre las tarifas y horarios. Usted puede obtener una copia poniéndose en contacto con Ontario Travel.

Clima

El clima de Ontario es muy parecido al del norte de los Estados Unidos. Junio, julio y agosto son nuestros meses verdaderos de verano, cuando los días son generalmente cálidos, a pesar de que las noches pueden ser frescas, en especial en el norte. Ropa de peso mediano a pesado es lo que se aconseja desde mediados de septiembre a mediados de noviembre y desde mediados de marzo hasta abril. Durante el invierno usted deberá vestirse con ropa abrigada.

Reglas de las carreteras cuando

Maneje en Ontario

Manejando es una forma segura de ver todo lo que sea posible de la diversidad y de los paisajes de Ontario que usted elija, o de llegar rápidamente a la destinación a la que usted se dirija. Un sistema de primera clase de caminos y carreteras conecta a las ciudades, los pueblos más importantes y los balnearios. Existen otras rutas a lo largo de caminos rurales más tranquilos para atraer al viajero con tiempo en sus manos.

Automóviles

Documentos. Un permiso válido de manejar de cualquier país, sirve aquí en Canadá, por tres meses. Sin embargo, como identificación adicional, sería conveniente que Ud. obtenga un Permiso Internacional de Conducir antes de su viaje. Si usted va a manejar a través de la frontera, traiga los formularios de registro del vehículo y una Tarjeta gratis de Seguro Canadiense para Personas que No Son Residentes de su agente de seguros, o la póliza misma. La responsabilidad de seguro combinada mínima en Ontario es de $200.000. Si usted está manejando un automóvil prestado, traiga también una carta de autorización firmada por el dueño. Si usted maneja un automóvil alquilado, incluya una copia del contrato de alquiler.

Servicio de Urgencia de Carreteras. Se dispone de un servicio de urgencia de carreteras a través de la mayoría de las rutas de Ontario, proporcionado por la Asociación Automovilística del Canadá (CAA) y el Club Automovilístico de Canadian Tire (CTAC). La CAA está afiliada a varios clubs automovilísticos internacionales, incluyendo la Asociación Automovilística Americana. La CTAC está afiliada al "Amoco Auto Club". Los miembros de estos clubs tienen derecho a beneficios recíprocos. Consulte la guía de teléfonos para ver la lista de clubs y servicios de urgencia de carretera.

Gasolina. Nuestras estaciones de servicio venden gasolina sin plomo y especial sin plomo (Sírvase notar que no es posible conseguir más gasolina con plomo). Muchas estaciones también tienen combustible diesel, especialmente a lo largo de las carreteras. El número de estaciones que ofrecen propano para vehículos motorizados está aumentando rápidamente.

Algunas estaciones de servicio cierran a las 19:00 horas y muchas no abren para nada los domingos. Sin embargo, en los centros más grandes y a lo largo de las rutas principales (carreteras de la serie 400) se puede obtener gasolina (nafta) durante las 24 horas del día.

Alquileres. Se dispone de automóviles de alquiler en nuestros aeropuertos internacionales y en muchos de nuestros pueblos y ciudades. Para la mayoría de las compañías, la edad mínima es 21 con una referencia de crédito.

Servicios. La Policía Provincial de Ontario patrulla las carreteras y otras zonas que no reciben servicio de las fuerzas municipales. Se les puede contactar localmente o llamando a uno de los números regionales de llamada gratis que se indican en el Mapa Oficial de Caminos de Ontario ("Ontario Official Road Map").

Si usted tiene un accidente que resulta en una herida personal o daño a la propiedad, por encima de $700, usted debe avisarle a la policía y permanecer en la zona del accidente hasta que los oficiales de investigación le permitan abandonarla.

Las estaciones de primeros auxilios se encuentran marcadas a lo largo de las carreteras.

La información sobre las condiciones de las carreteras en la provincia se encuentra disponible todo el año a través de las oficinas regionales del Ministerio de Transporte; el número a cobro revertido que funciona las 24 horas del día es 1-800-267-1376. Para la zona de Toronto Mayor ("Greater Toronto") sírvase llamar por teléfono a la Oficina de Información de Rutas, al (416) 235-1110.

Peaje. Los puentes internacionales, los túneles y los pontones de transbordo cobran una tarifa, pero nuestras carreteras no cobran peaje.

Cosas que se deben saber

Nosotros medimos distancias (y límites de velocidad) en kilómetros. Y por lo tanto, nuestras señales y letreros están en kilómetros también. Si usted está acostumbrado a pensar en millas, esto lo confundirá un poco, así que aquí le presentamos un poco de aritmética para ayudarle.

Un kilómetro es equivalente a cinco octavos (5/8) de una milla. Por lo tanto, para convertir millas en kilómetros, simplemente multiplique las millas por ocho y divida por cinco (por ejemplo, 100 millas x 8 = 800 / 5 = 160 km).

Por el contrario, para convertir kilómetros en millas, divida los kilómetros por ocho y entonces multiplique por cinco (por ejemplo, 160 mm / 8 = 20 x 5 = 100 millas).

Suficientemente fácil, a pesar de que puede representar un desafío mental cuando usted también tiene que controlar a los niños que están saltando en el asiento de atrás.

Reglas de Tráfico

Las reglas de tráfico de Ontario pueden ser un poco diferentes de las que usted está acostumbrado. Por lo tanto, aquí presentamos una lista de nociones sobre tráfico para sus vacaciones en Ontario.

Bicicletas. Las bicicletas se consideran vehículos y deben obedecer las mismas leyes de tráfico. No se permiten bicicletas en las carreteras de acceso controlado.

Viajar a dedo. No se permite viajar a dedo en las carreteras principales (acceso controlado para peatones), por ejemplo la Q.E.W.

Aparatos de Detección de Radares. Los aparatos de detección de radares están prohibidos en Ontario, aún si están apagados y solamente los está transportando en su automóvil. Nuestra policía podrá confiscar tales aparatos, y multarlo al mismo tiempo.

Doblar a la derecha con luz roja. Se puede doblar a la derecha con luz roja a menos que se indique lo contrario. Usted deberá parar completamente cuando vea la luz, pero podrá seguir con precaución si el camino está libre.

Autobuses Escolares. El tráfico que viaja en ambas direcciones (excepto en calles divididas o carreteras), debe parar cuando un autobús amarillo escolar se ha detenido y sus luces rojas de señal están prendidas.

Cinturones de seguridad. La ley de Ontario requiere que los adultos y los niños de más de 18 kg de peso se pongan los cinturones de seguridad, si el automóvil ha sido diseñado con las mismas. Niños desde el nacimiento a 9 kg deben viajar en un sistema infantil que los restrinja mirando hacia atrás. Los niños pequeños que pesan entre 9 y 18 kg (20 a 40 libras) deben viajar en un asiento restrictivo para niños que mira hacia el frente.

Límites de Velocidad. Los límites de velocidad en Ontario se expresan en kilómetros. Las carreteras tienen un límite de velocidad de 100 km/h. Las rutas de Trans Canada se limitan a 90 km/h. La mayoría de las carreteras rurales y los caminos rurales tienen un límite de velocidad de 80 km/h y algunos 90 km/h. En las zonas urbanas y otras zonas muy pobladas, los límites de velocidad generalmente van desde 40 a 60 km//h.

Paradas de Tranvías. Los vehículos deben permanecer parados por lo menos 2 m (seis pies) detrás de la puerta más posterior de un tranvía que se ha detenido para asegurar la seguridad de los pasajeros que suben o bajan.

Llantas tachonadas. Se prohiben las llantas tachonadas en las carreteras de Ontario.

Parabrisas y ventanas. Los parabrisas y las ventanas anteriores y laterales deben permitir una visión clara del interior del vehículo y el color no puede oscurecer el interior de manera dramática.

El programma de clasificación de alojamiento

Un personal investigador con entrenamiento profesional inspecciona anualmente cada establecimiento de hospedaje recomendado en CANADA SELECT. Solamente las propiedades que llenan las normas estrictas de limpieza y condiciones físicas del programa, se pueden calificar para ser Recomendadas por CANADA SELECT. Una vez que se ha determinado que las normas de limpieza y condiciones físicas son satisfactorias, el establecimiento de hospedaje se inspecciona en persona y se le otorga una categoría de alojamiento y una clasificación de estrellas entre una y cinco estrellas.

Es importante señalar que el servicio personal, la calidad de la comida (si es pertinente), la cortesía del personal y otras consideraciones subjetivas similares no forman parte de la clasificación de estrellas. Sin embargo, ya que los clientes han indicado que estas consideraciones son muy importantes con respecto a la experiencia total en un establecimiento de hospedaje, en Ontario, CANADA SELECT está introduciendo una clasificación nueva y original de "chequeo" del cliente, entre uno y cinco marcas.

Categorías

Para ayudarle a identificar los establecimientos que probablemente se adapten mejor a sus requerimientos diferentes para cada viaje, las propiedades Recomendadas de CANADA SELECT se dividen primero de acuerdo al tipo de propiedad – Hotel/Motel, Lugar de Temporada, Posada/Cama y Desayuno, y Pesca/Caza (Temporada). Los tipos de propiedades dentro de estas categorías son los siguientes:

HOTELES/MOTELES
Incluye hoteles, moteles y hoteles de departamentos. Estos son establecimientos que proporcionan alojamiento transitorio en donde las razones del viaje generalmente no son las de permanecer en la propiedad misma.

LUGARES DE TEMPORADA
Incluye hoteles de temporada, casas de temporada y cabañas de temporada con servicio de limpieza. Estos son alojamientos de "destino" en donde la razón del viaje generalmente se basa en lugares de recreo y descanso y los servicios que se ofrecen en ese lugar. Estos generalmente están situados en zonas que no son urbanas cerca de un lago o un río.

PESCA/CAZA
Incluye lugares de hospedaje para pesca/caza y campamentos de pesca/caza. Estos son alojamientos de "destino" en donde la razón del viaje generalmente se basa en lugares de recreo y descanso para pesca y/o caza y los servicios que se ofrecen en ese lugar o cerca del mismo. Estos generalmente están situados en zonas que no son urbanas cerca de un lago o un río.

POSADAS/B&B (CAMA Y DESAYUNO)
Incluye posadas y establecimientos de "cama y desayuno". Desde un mínimo de cuatro unidades de hospedaje a un máximo de 40 unidades. Estos son alojamientos de "destino" y "transitorios" en donde la razón del viaje puede ser o no la estadía en ese mismo lugar, pero en los que la naturaleza especial del establecimiento es una parte importante de la razón por la cual se seleccionó este alojamiento. Generalmente el dueño presta directamente un servicio y una hospitalidad de carácter individual.

Clasificacíon de estrellas

Para ayudarle aún más en su selección, cada establecimiento ha recibido una "clasificación de estrellas" entre 1 y 5 estrellas. De acuerdo con los criterios de clasificación establecidos para cada una de las cuatro categorías de alojamiento. Los criterios para cada categoría se basan en lo que el cliente espera recibir con respecto a facilidades y servicios, y la calidad física del alojamiento y de las zonas públicas. Debido a que la calidad y las facilidades y servicios generalmente varían en comparación del uno al otro, una clasificación idéntica de estrellas no significa necesariamente una calidad de facilidades y servicios idénticos.

- Limpio, alojamiento cómodo
- Limpio, alojamiento cómodo con facilidades adicionales y servicios para huéspedes
- Alojamiento muy cómodo con una variedad de facilidades, comodidades y servicios para huéspedes – "servicio completo"
- El estándar más alto en alojamiento, junto con una gama extensa de facilidades, comodidades y servicios para huéspedes.
- Propiedades excepcionales que se encuentran entre las mejores del país con respecto a las facilidades, los servicios para huéspedes y la calidad de facilidades superiores que se ofrecen.

Para poder proporcionar una evaluación más exacta, también se otorgan clasificaciones de "½" estrella. Una clasificación de 2½ estrellas, por ejemplo, aparecerá como

- Estándars señaladamente altos en el servicio a los huéspedes y la hospitalidad – un personal muy cordial y atento
- Estándar de primera clase en hospitalidad y servicio a los huéspedes – mucha dedicación a la comodidad y el servicio a los huéspedes.
- Estándar excepcional en hospitalidad y servicio individual – una total dedicación a la comodidad y al servicio a los huéspedes.

Si le ofrecen un formulario de CANADA SELECT para que lo complete cuando se está estudiando un establecimiento de hospedaje, tenga la bondad de brindarnos unos minutos para completarlo. Su contribución es muy importante.

Las propiedades que no recibieron una clasificación de marcas este año no tuvieron una cantidad suficiente de formularios completados por los clientes o entraron en el programa demasiado tarde para poder hacer un estudio en base a sus clientes.

Es importante mencionar que la decisión de ser clasificado es totalmente voluntaria de parte de los propietarios de los establecimientos de hospedaje alrededor de Ontario. Existen muchas propiedades no clasificadas que ofrecen facilidades de alojamiento limpias y cómodas y una gama de facilidades para huéspedes que son por lo menos equivalentes a los de las propiedades que han sido clasificadas.

オンタリオ州での運転

車で旅行をするもの一つの方法でしょう。オンタリオ州の美しい景色や様々な風景が思うままに見られますし、また目的の地にもより速く辿り着くことができる利点があります。非常にシステムの良い高速道路は、殆どの主要都市や街、リゾート地を結んでいます。小さな町へ旅行者を誘う静かな田舎道も要所要所にあります。

自動車

緊急道路サービス： オンタリオ州のほとんどの地域で、 Canadian Automobile Association (CAA)、Canadian Tire Auto Club (CTAC) による緊急道路サービスがご利用になれます。CAAは American Automobile Association など、いくつかの国際自動車クラブと、 CTACは Amoco Auto Club と提携しており、メンバーにはさまざまな特典があります。詳しくは電話帳でクラブ、緊急道路サービス (emergency road service)をお調べになり、直接お問い合わせ下さい。

書類： 有効な免許証であれば、どこの国のものでもカナダ国内で3カ月間有効です。ただし、身分証明書にもなるので、国際運転免許証を出発前に入手することをお勧めします。車で国境を超える場合は、車検証と非カナダ居住者保険証書が必要です。人身、障害保険の最低額は20万ドルです。人から借りた車を運転する場合は、持主が貸したことを証明する署名入り書類、レンタカーの場合は契約書を携帯しなければなりません。

ガソリン： ガソリン・スタンドでは、無鉛、及び高級無鉛ガソリンを購入することができます（有鉛ガソリンは現在販売されていません）。高速道路沿いではディーゼル燃料や、最近ではプロパンを購入できるところもあります。通常、ガソリン・スタンドは午後7時に閉店しますが、主要高速道路（400シリーズ・ハイウエー）などでは24時間ガソリンを購入できます。

レンタカー： レンタカーは、国際空港や州内の各都市で利用できます。殆どのレンタル会社で、車を借りることができるのは21才以上となっており、またクレジット・カードが必要です。

パトロール・サービス： オンタリオ州警察は、高速道路や、自治体警察がパトロールしていない地域をパトロールしています。電話連絡は地方のローカル番号、またはオンタリオ州公認地図に記載されているフリー・ダイアル番号を使用して下さい。

人身事故、傷害事故を起こし、損害が700ドル以上とみなされる場合は直ちに警察に連絡 をし、取り調べが終了するまで事故現場にいなければなりません。高速道路では、応急手当てのできる設備を示すサインを要所に掲げています。

高速道路状況は、いつでも運輸省 (Ministry of Transportation) に問い合わせることができますし、オンタリオ州地図 (Ontario Official Map) には24時間サービスのフリーダイアル番号も記載されています。

トロント地区は、道路情報局 (Road Information Office) 、(416) 235-1110へお問い合わせ下さい。

通行料: 国境をはさむ橋、トンネル、フェリーでの通過には通行料がかかりますが、オンタリオ州内の高速道路は無料です。

重要情報

オンタリオ州では距離（及び速度）にはメートル法を使います。従って、道路のサインは全てキロメートルです。マイルに慣れている方には換算が少々困難かもしれません。

1キロメートルは1マイルの5/8に当たります。従って、マイルからキロメートルに換算する場合は、マイル数に8倍したものを5で割ります。（100マイル×8＝800, 800÷5＝160キロメートル）

同様に、キロメートルからマイルに換算する場合は、キロメートルを8で割ったものを5倍することになります。（160キロメートル÷8＝20, 20×5＝100マイル）

簡単ですね。しかし、後ろの座席で子供達がさわいでいる時には、少々混乱するかもしれませんね。

交通規則

オンタリオ州の交通規則は、普段あなたの慣れているものとは少々違っているかもしれません。ここに主なものを揚げておきます。

自転車： 自転車は車両とみなされ、自動車と同じ規則に従わなければなりません。自転車は、特定のハイウエーでは乗り入れが禁止されています。

ヒッチハイク: ヒッチハイクは主要高速道路（QEWなど）では禁止されています。

レーダー探知機: オンタリオ州では、車両にレーダー探知機を取付けることは禁止されています。スイッチが入ってなく、ただ置いてあるだけでも違反となり、警察がそれを見つけた場合は、取り外され

赤信号での右折: 特別なサインがないかぎり、赤信号でも右折することができます。但し、赤信号で一旦停止し、左からの車が来ないことを確かめた上で右折すること。

スクールバス: 路上に黄色いスクールバスが止っていて、バスの前後左右の上部に赤いライトが点滅している時は、上り下り車線とも車両は必ず停止しなければなりません。（但し、高速道路や上り車線と下り車線が分かれている路線を除く）

シートベルト： オンタリオ州法では、成人及び体重18キログラム（40ポンド）以上ある子供は、車両にあるシートベルトの着用が義務づけられています。体重9キログラム以下の乳幼児は、乳幼児用の後向き取り付け座席に座らせること、また、体重9キログラムから18キログラムまでの幼児は、幼児用の前向きの取り付け座席に座らせることが義務づけられています。

スピード制限: オンタリオ州では、スピードにはキロメートルを使用しますが、高速道路では、最高制限速度は時速100キロ（62マイル）です。トランスカナダ高速道路では時速90キロ（56マイル）です。その他の地方高速道路や田舎道での最高制限時速は80キロ（50マイル）ですが、90キロ（56マイル）のところもあります。都市や人口の比較的多い街では、40キロから60キロ（25マイルから37マイル）に制限されています。

路面電車: いかなる車両も、路面電車が停車場で停車していて乗客の昇降中は、路面電車の後部ドアから少なくとも2メートル（6フィート）以上後ろに停車していなければなりません。

スタッドタイヤ: オンタリオ州の高速道路では、スタッドタイヤ（スパイクタイヤや鋲付きタイヤ）の着用は禁止されています。

フロント窓ガラス及びサイド窓ガラス: 車両のフロント窓ガラス及び、前両サイド窓ガラスは、いつもはっきりと見通しがきくようにしていなければなりません。窓ガラスに色を付けたり飾り物などで見通しが悪くならないようにすること。

オンタリオ州の宿泊施設

1994年には、同協会の管理する「カナダ・セレクト宿泊施設格付け一覧」が、オンタリオ州の他6州で、また2年以内には、カナダ全国で利用できるようになります。

このマークが目印です：

宿泊施設の格付け

「カナダ・セレクト」の推薦する宿泊施設は全て、トレーニングを受けた専門スタッフによる検査を毎年受けています。これらの宿泊施設は全て、衛生状態や維持状況などが、厳正な基準を満たしています。衛生状態や、維持状況などが合格してはじめて、建築構造などの物質的な検査が行われます。そして、どの分類に属するかが決定され、1つ星マーク～5つ星マークに格付けされます。食事、従業員のサービス、パーソナル・サービスの質等は、格付けの対象にはなりません。しかし、「サービスの質は宿泊施設を決める際の重要なポイントになる」という利用者の経験に基づいた意見を考慮し、「カナダ・セレクト」には「宿泊客による格付け」が掲載されています。

分類

「カナダ・セレクト」は、施設の種類を、ホテル／モーテル、リゾート、イン、ベッド&ブレックファースト（B&B）、フィッシング／ハンティング（リゾート）ロッジに分類し、様々な目的に合った宿泊施設が容易に見つかるように構成されています。

ホテル／モーテル
ホテル、モーター・ホテル、モーテル等。一時滞在用の宿泊施設で、普通、宿泊以外の目的にも利用される。

リゾート
リゾート・ロッジ、リゾート・ホテル、ハウスキーピング・リゾート、コテージ等。通常、娯楽・レジャー設備や、サービスの利用が滞在目的。田舎の湖畔や川のほとりなどに多い。

フィッシング／ハンティングロッジ
フィッシング／ハンティングロッジ、フィッシング／ハンティングキャンプ等。田舎の湖畔や川のほとりにあり、主に釣りや狩猟が目的の人向き。そういった地域で、これらのレジャーが目的の旅行をする時に利用する。

イン／ベッド&ブレック　ファースト（B&B）
4室から40室までの小規模な宿泊施設。宿泊だけの目的にも、その他の特長が目的の滞在にも利用できる。通常、オーナー自ら、個性あるホスピタリティーとサービスで迎えてくれる。

星数による格付け

選択を容易にするために、各宿泊施設は、4つの分類別に設定された格付け基準により、1つ星～5つ星のマークでクラスわけされています。格付けは、サービス、設備、建物や部屋の質、周辺の地域などについて、宿泊客の期待をどれだけ満たしているかを基準にしています。サービスや、設備の良し悪しの基準は、他のものとの関連でさまざまに異なるため、星数の同じ宿泊施設が、必ずしも同じ程度のサービス、設備だとはいえません。

★ 清潔で、快適に泊まれる
★★ 清潔で、快適、また宿泊以外の目的に利用できる設備やサービスもある
★★★ 大変快適で、さまざまなゲストサービス、娯楽設備がある（フルサービス）
★★★★ 高級宿泊施設で、設備、ゲストサービスなどがほぼ完璧
★★★★★ 超高級で、設備面、サービス面において、カナダで最高のもの

より正確に格付けするための"1/2"の格付け単位もあります。例えば ★★½ は、A21/2星クラスです。

「カナダ・セレクト」推薦宿泊施設の殆どは、今年の格付けが変わっていますが、殆どの変更は、調査の対象となった利用者が変わったのが原因であり、設備、サービス等の質自体は以前と変わっていません。

宿泊施設に泊まった客を無作為に選んで調査した結果によるもので、実際の滞在での経験に基づいています。宿泊客が格付けした食事やサービスの質は星の数と比例しているわけではありません。宿泊先を選ぶ時の参考資料につけ加えることをお薦めします。

☑ 全般的に良いサービス。食事が出る場合は、その質も良い。問題なく過ごせる。
☑☑ 推薦できる、心のこもったサービス。
☑☑☑ ハイ・レベルのサービス。スタッフも親切で、親しみやすい。
☑☑☑☑ 一流のサービス。客が快適に過ごせるように、献身的なサービスをしてくれる。
☑☑☑☑☑ 各個人に応じた、最高級の完璧なサービス。

皆様が、「カナダ・セレクト」の格付け対象になっている宿泊施設をご利用になった場合、アンケートにお答えしていただくことがありますのでその際はご協力下さい。皆様のご意見は貴重です。

注：チェック格付けのついていない施設は、宿泊客のアンケート回答が少なく、結果が出ていないものや、プログラムへの参加申し込みが遅れ、調査が間に合わなかったところです。

注：オンタリオ州観光協会指定の宿泊施設格付けプログラムへの参加の意思は、各施設の経営者が決定します。格付けプログラムに参加していない宿泊施設の中にも、格付けされている施設と同様の設備があり、清潔で快適な施設を提供しているところが多くあります。
